### **What makes us generous?**

What was the rich man's sin in this Sunday's Gospel story? What tormented him after he died? Being wealthy is not sinful; what tortured his soul was his decision to not share his wealth with Lazarus while he had the opportunity.

Death is not a closing of life; it's the opening up of our souls so we become fully alive in the truth of God's love. Death awakens us to the full reality of who God is and all the gifts he has given us and how well ~ or how poorly ~ we've invested those gifts.

Whenever we share with others the gifts that we've received, we're investing in God's kingdom. In God's economy, our investments always pay off very well. We receive more than we give away so that we can share even more!

In contrast, when we protect and keep something for ourselves, we lose it like a flower that's "protected" in a dark box. The flower wilts. It cannot grow in the dark. Everything we try to protect ends up useless and even poisonous: We stagnate spiritually as well as emotionally. The

gift rots. Our selfishness destroys our union with God who is the Master of Generosity.

Every day, we're given opportunities to share something ~ some blessing from God ~ with others.

Perhaps what made the rich man in the parable turn away from Lazarus was his disease. Since Lazarus was covered in sores, we can surmise that he was a leper and highly contagious.

This leads us to the question: Do we share less because we feel disgust toward those who need what we have? Or maybe fear holds us back. Or resentment or unforgiving anger. To be united to God and experience everlasting joy, we cannot live in this state. We have to let love motivate us. Love has no limits; it's always generous.

In the second reading, we hear: "Compete well for the faith." Against whom are we competing? Ourselves! Are you holier today than you were the last time you had an opportunity to be generous? Are you spiritually stronger because you've worked hard at becoming more loving and generous?
