The happy truth about the Lenten journey

Lent is not about suffering and sacrifice. It's a corridor to new life. Good Friday is not about evil and pain and death. It's the door that Jesus opens to invite us into that new life.

Yes, suffering is part of the Lenten journey (which can be experienced at any time of the year). Yes, Lent includes the sacrifices of fasting and abstinence, almsgiving and extra time in church. But these are just vehicles for the trip.

God uses our sufferings (if we let him) to help us grow in compassion, persistence, and ministry. Our sacrifices help us learn discipline (which is discipleship) so that we can purify our will and grow stronger in holiness. But the trip is not the destination.

Lent is all about reaching the resurrection: renewing our faith, entering a new life free of old sins, reconciling damaged relationships, and living in the Spirit of God more than we

ever did before.

Which day is more important to your faith: Good Friday or Easter Sunday? That horrid day on Calvary was absolutely necessary for Easter, but we are living in the resurrection! Catholics are an Easter people. This means that nothing bad can ever happen to us that will not be transformed into blessings if Jesus is the Lord of our lives.

He proved himself to be the Resurrection and the Life by displaying his power over life and death. Now he wants to prove it again ~ to you and to all those who are watching.
