### **How Jesus in the Eucharist helps us in difficulties**

This Sunday we celebrate the Sacrament of the Eucharist and the reason why we believe it is truly and physically the presence of Jesus.

In the first reading, we're reminded that God our Father always provides the food and drink that we need for survival in the desert days of life's hardships. What he did for the Israelites, he does for us today in whatever ways we experience hot trials and dry faith. He provides what we need by giving us the True Presence of Christ, who comes to us in the bread of Mass (the Eucharist), and in the presence of his Holy Spirit dwelling within us (Baptism and Confirmation), and in the priest whose ordination makes Jesus present to us in Confession.

The Gospel passage tells us that the Eucharistic food and drink are truly Jesus himself, not a mere symbol of his love. Oh-my oh-my, how we need this food and drink to survive the serpents and scorpions and the parched and waterless ground of our desert experiences! Jesus literally

fills us and quenches our thirsts. As we consume him, he consumes us. As we draw him into us, he draws us into himself. In this unity, we walk through our trials with all that we need for success.

The second reading tells us that the Eucharist increases our unity with Christ's body on earth, the church community through which he provides the various resources that we need. In this unity ~ when it's activated as it should be ~ no one lacks anything good because all necessary goods are shared. And ultimately in this unity, as Jesus said in the Gospel, we're assured of eternal life in heaven, where all needs are met perfectly and completely.
